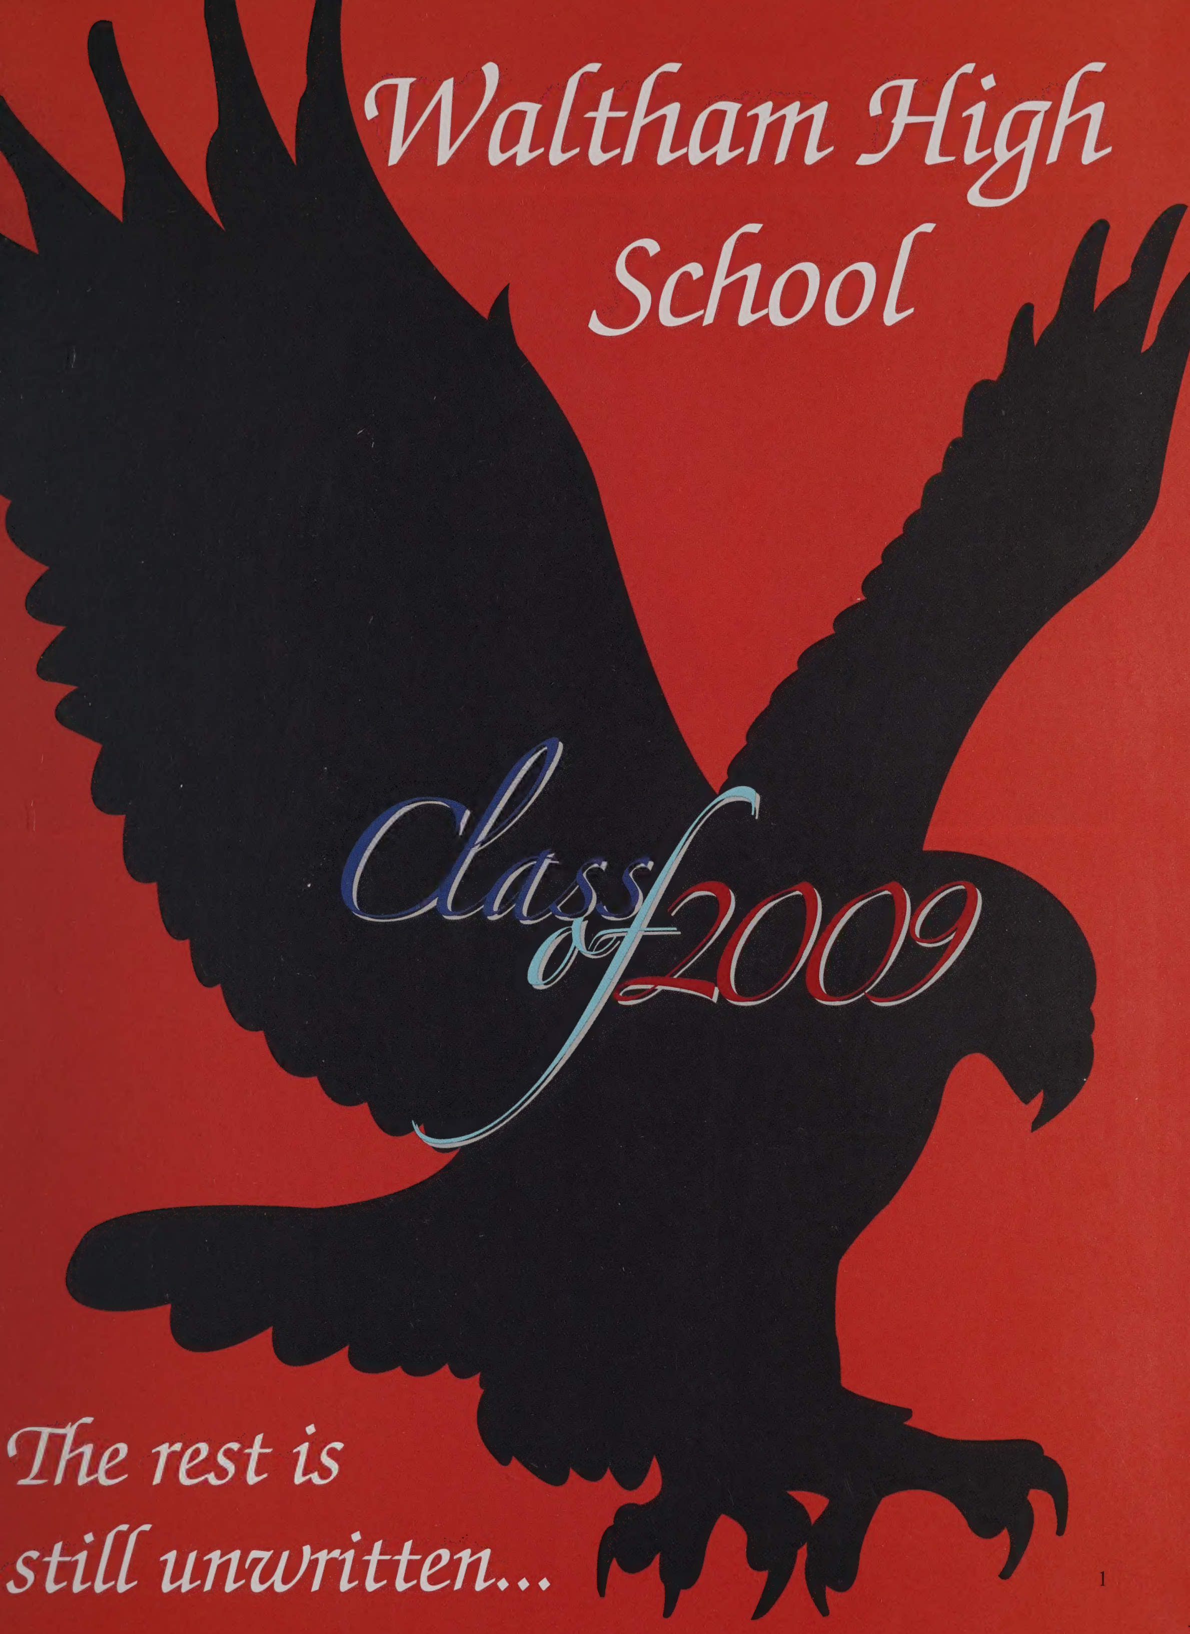
Waltham High School



Class of 2009

The rest is still unwritten...

2009

Mrs. Jane Walker

In order to be honored, you need to be remembered. In order to be remembered, you need to make an impression. In order to make an impression you need to care. Tonight we will honor a woman who has done just this. Growing up in Long Island, New York with her one sister and parents, this woman attended Stony Brook College. Starting off with a major in Biology she decided she would take another path in life. She then attended Boston College for her masters in education. She started working at Waltham High School in 1981 as a Special Education Teacher. Later she worked in the copy center, and now she is one of our guidance counselors. Along with being a dedicated mother, wife, sister, and grandmother, she spends a lot of her free time in the North Shore. When she isn't in Hawaii with her husband on vacation, one of her favorite hobbies is being the acting President of the North Shore Flying Club. Using remote control airplanes is only one of the things she does to keep herself busy. In addition to her duties as a guidance counselor, she takes charge when it comes to colleges; by making a college board outside of the main office and making a senior survey and list of all the future plans of the graduating class. On her own initiative she has organized all the senior dinners, and made all the certificates people receive. Saying she will be missed next year is an understatement. She has done more in her 28 years at Waltham High School than anyone could ever give her credit for. So tonight, it is my honor to dedicate the 2009 yearbook to **Mrs. Walker**; a guidance counselor, role model, and friend. Thank you so much for all you have done at Waltham High School. We will miss seeing your face around the halls next year.

- Shannon McGrattan

Dedications

Mrs. Elizabeth Gavin

At this time I would like to present the last of the two 2009 High school yearbook dedications. This woman is someone we will never forget. She has helped each and everyone of us in some way from our goofy freshman days to our senior decisions. She has always believed in us and has taught us that we are all capable of doing great things. She has been a huge part of the Waltham School system, as well as community service activities and sports.

Mrs. Gavin has a long history in Waltham. She graduated from Waltham High school in 1988. While in high school once being a senior herself, she knows what it is like to participate in many of the senior activities. She was very involved throughout her high school career. Mrs. Gavin was a party of the National Honors Society, Student Council, her class council, cheerleading, and also show choir. After high school she went to the College of Holy Cross and graduated in 1992. It was in Waltham where she began her love of teaching as an English teacher at the Kennedy Middle School. She was an amazing English teacher for 13 years with the greatest passion for her job and her students. While teaching, she took on the role of being the JV soccer coach and Varsity and JV lacrosse coach for many years. All her teams looked up to her and respected her.

In 2004 she became vice principal under Mr. McGovern for one year. During that year she was asked to become housemaster for the upcoming freshman class, the class of 2009. She gladly accepted the job, not knowing what was in store for her over the next 4 years. She married Mike Gavin, a current teacher and coach at the Waltham High school, in June 2005. Not long after she had two children; Conor and Quinn, who are a huge part of her life. She proves to be a loving wife, mother to her two children, and a leader to our class of 2009. Her involvement in the Waltham school system has been nothing but dedication and passion for the things that she loves. She is a huge part of the Waltham community and i know her new freshman will be glad to have her as their housemaster.

I know that everyone would agree with me that she has impacted all of our lives; I sure know she has impacted mine. She has been our mentor for 4 years, some of us even since middle school. No matter how many tardy slips or blue slips she has given us for being a few minutes late, or even what we are wearing, we will never forget her. She has helped each and everyone of us to get to where we are today. She has done so much for this class and without her, none of these senior events would be possible. All her hard work has paid off because she has had the opportunity to watch us all grow and mature for graduation. Without her, High School would not have been as enjoyable and memorable as it was. For these reasons, with honor, I present to you Mrs. Gavin, on behalf of her first graduating class at Waltham High school, the yearbook dedication

- Connie LeLievre

Retirees and

Mr. Piandotesi, Mrs. Cochran, Mrs. Walker, Mrs. Giorgio, Mrs. Capocci

In 1974 this home economics teacher arrived to Waltham High School. From making shorts and dresses for less fortunate children to being the go-to seamstress for the high school, this skilled woman is always willing to help. Some of her students have even gone forward to make their own clothing lines. So at this time we would like to thank and congratulate **Mrs. Kathleen Giorgio** for her 35 years of hard work and services to WHS and she will truly be missed. Congratulations and best wishes!

For the past 38 years, this teacher has done nothing but dedicate all of there spare time to the high school. With 20 years of teaching and 18 years being a house master, over the years this teacher has developed many bonds with faculty members and students. Being the huge sports fan he is, this teacher over the years has found how to balance school, family and his own business! Putting Waltham High always first and his passion always being in Waltham kids tonight we would like to thank **Mr. Anthony Piandotesi** for everything he has done and let him know that he will never be forgotten here at the high school. Good luck and congratulations!

Mr. McCarthy has been teaching graphics at the high school since 1998. Along with running the print shop, he silently contributes an enormous amount of time and creative expertise to Waltham High School. He is and has been an integral part of the success of senior year events, from ticket printing to booklet production, with the culmination of diploma. Without ever saying no he gives everything he has and tonight, even though he could not be here with us, we would like to thank him Mr. McCarthy for that.

For over twenty years this respected biology teacher has been more than willing to help her students. After graduating from the University of Connecticut, with a degree in Pre-med- bio she went on to Boston University were she received a masters degree in bio-technology. Her friends refer to her as a genius and her students believe they have all been well prepared for the college world due to her teaching skills. So tonight we would like to thank **Mrs. Barbara Capocci** for the work she has done over the past 35 years and she will be greatly missed. Congratulations and best wishes!

For the past 23 years this history teacher, has been said to know everything, recently retired in the fall. As a former student of hers I know this to be true. Mrs. Cochran has been a wonderful asset to the faculty here at Waltham High. Tonight we want to wish her good luck in her future and let her know how appreciated she is for the 23 years she dedicated to teaching. **Mrs. Cochran** we thank you and congratulations!

In 2002 this Waltham Cable Access Channel anchor came to teach in our television studio. Along with producing the Hawk and helping to develop the senior video, he has been an asset to the production of the yearbook. With Mr. Daly as his sidekick, this teacher has helped to update and modify the television program here at the high school. Having him as a teacher, I have observed him take the shyest student and make them comfortable in front of the camera. He has also had a major impact on the senior class in the past year and words cant describe how grateful we are. Even though he could not join us tonight, **Mr. Hazel** we thank you for all you have done and taught us. The 2009 seniors will never forget you.

Varsity Football

WALTHAM
INSTRUCTIONAL FOOTBALL CAMP

The Football team overall did not have the year they hoped for. Our record does not show the hardwork and dedication that we put into our season. We had fun as a team this year and we all got along very well. We did not give up against any of the teams we faced and we always gave our best effort. Ending the season almost beating Brockton shows how hard we worked to prove to ourselves and other teams that we were good enough to play in the Dual County League. Good luck to next year's team!

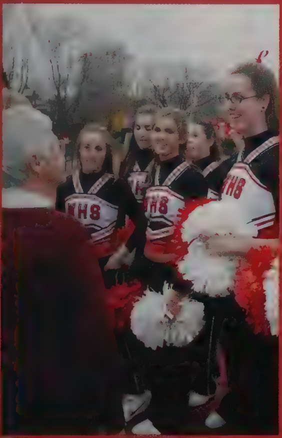
Football Cheering



The 2008 cheerleading season started off with a struggle as we worked extremely hard to get ready for games and put together our competition routine. Cheering on our football players at the games and dealing with the harsh weather conditions, we accomplished our job of encouraging the players to GO, FIGHT, WIN! We were very successful in placing at our invitational competitions and then moving on to Regionals. Thankfully, we had a very inspirational coach who helped lead us to victory. We had a fun, exciting and memorable season. GO HAWKS!

The Waltham High Boys' soccer team had an amazing season this fall led by Senior Co-Captains Johny Asturias, Scott Hall, Eddie Lopez and Marty Smith. The Hawks who moved into the Dual County League faced aggressive competition, and came out by advancing to the State Tournament. The Hawks who didn't have a strong season last year pulled it off by coming prepared for this season in the Dual County League. The Hawks record was 8-8-3, which did not represent the talent of this team. The team managed to make the tournament by beating our GBL rival Somerville in a non-league game. The team was the second in Hawks history to make the tournament entering a new league. The Hawks have a bright future with Erick Garcia and Kleymar Garcia leading the way along with 12 returning juniors next season and the Hawks should be the one to watch. We wish them much success next year!!

Good Luck Boys!

Chelmsford	2	1

The girls soccer season, even though it did not go as we hoped, overall it was successful. Entering the new league we knew it was going to be a difficult season, so we worked hard in preseason to prepare. We also faced the new league with a new coach, since Mr. Maguire was stepping down. Mr. Martinez and Mr. Piantedosi took the job, and although it was quite different, we learned so much from them. We had amazing team chemistry, and we all worked well together, and helped each other along the way. It was a great group of girls, and we all adjusted to the huge change. Our record does not reflect the effort we put into every game but we proved ourselves by winning our last game by one against Chelmsford.

The 2008 Field Hockey team proved a lot of people wrong this season. The team was led by Captains Dana Centofanti and Laura Marmion. There were low expectations for such a young squad, but we took it about and beyond what people predicted. We ended up succeeding all the way to round two of the state tournament. Despite some obstacles, by the end of the season there was chemistry formed that prepared us for some of our more difficult opponents. This season was very enjoyable and will always be remembered. Good luck to next year's team!

The 2008 volleyball squad knew that the new league was going to be a challenge. Having lost nine seniors and coming off a championship in 2007 the girls had a lot of work to do. The outcome of the season did not shape up too good based on the record but behind the scenes the girls came together and became a strongly bonded team. Senior captain Melanie McCluskey showed her versatility all over the court and seniors Claudiane Philippe and Natasha Aviles proved they were strong at the net. Overall the team achieved much success although coming into a season with many new adversities.

After losing a lot of seniors, our team struggled entering the new Dual County League. We did not win many meets but our team definitely improved through the season. Sophomores Johnny Nichols and Nadja Kern stepped up their game this year along with junior Jeremy Kacher and senior captains Mike Graceffa and Lien Phung. The team bonded well and always worked together. Being a young group, most of the team should be back next year to compete and show that they have what it takes to be in this new league.

This year the golf team proved a lot of people wrong by successfully proving themselves in the Dual County League. Led by senior captain Mike Oliveri and Coach Mr. Sorin, the team was able to win a lot of their games. Their record was not flawless but they proved that they were able to compete with some of the best teams in the state after playing teams in the GBL. With a young team they will be a little stronger than this year and be able to keep up the progress they made this year after transitioning into the new league.

No one expected our success as a team this year to be as good as it was after losing 13 seniors last year; but we ended up with the best record out of all the other sports and had a great time this season. At the beginning of the season we were not a close team since so many younger guys made the team, but as the season went on, we created a great team chemistry and had no cliques within the team, which is very rare. We made it too the state tournament but lost to Wakefield. Even though we didn't make it past the first round in the tournament, we had a very successful season.

LADY HAWKS
WALTHAM

Although he 2009 girls hockey team moved into the DCL and up to Division I, their winning tradition remained the same. The Lady Hawks finished the year with a 10-6-2 record and made yet another state tournament appearance. Led by captain Dana Centofanti and seniors Laura Marmion, Kate Logan, and Alicia Maillet, along with a promising group of underclassmen, the Lady Hawks undoubtedly will continue to have success in the future. Good luck next year and we will miss you all; make us proud! "It's just simple hockey sense."

The 2009 basketball season was better than the record shows. Many of the losses were within a couple of points which frustrated the team throughout the season. Entering the DCL became a greater challenge than the team had expected. Because the teams were more competitive than what they were accustomed to in the GBL, the team had to work hard and dedicate themselves so they would be able to play as well as their competitors.

Basketball Cheering

The Basketball cheerleading girls had a very good season. We practiced everyday after school to work on routines for games and competitions. Many new girls tried out for the team and we worked very hard all season. Even with some injuries the team pulled together in the end and proved they were worthy competitors at competitions. Since the team is very young, next year's team is expected to be just as good, if not better, than this year.

Although many people judge the success of a team by their record, our team did not. Our record did not reflect the heart each individual on this team had. It also does not reflect the hard work and effort we put into each game and practice. Losing to one of the best teams in the new league, Lincoln-Sudbury, in overtime by 1 point was a success for us. It showed the amount of potential our team had. Coach Nugent and Coach Cacciatore worked hard every day to prepare our team for the season we had ahead. We came to practice focused and ready to put forth our best effort. We had many great games, and our team bonded so well throughout the whole season. Going into the dual county league, we knew we would be playing against some of the best teams in the state, but we did not let that scare us, we fought in each game and gave 100 % until the last buzzer buzzed.

This year the wrestling team proved they were meant to be in the DCL. With the injury of captain Jimmy Coutoumas, the team started off without one of its best competitors. Luckily, senior Cameron Lett joined on a whim and surprised everyone with his wrestling skills. During the season the team had its ups and its downs but as a whole we worked very hard and were proud of our accomplishments at the end of the season. We are excited for next year because our team is young which means we will have more experience in later years.

WALTHAM HAWKS

There was no doubt the DCL would be challenge for the boys track team. They had a very hard time switching into the DCL because they had a very small, young team, the veterans had to be the leaders and show the newcomers how to do certain events. The teams we competed against were very challenging and the team tried to be competitive. With the help of their captains, the team was able to improve throughout the season and become more of a threat to their competitors.

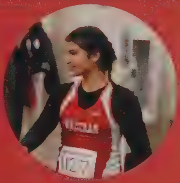
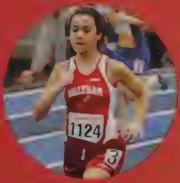
As we transitioned into a new league the girls track team had a lot of hurdles to go over. Starting off the season with a lot of injuries the girls had to train their hardest at practice to show the other teams we were just as good as them. Having a small team with mainly underclassmen, the team pulled together at practices and meets and our scores showed. Although we did not win every meet, personal records were broken and the team was able to bond through jokes and at the Saturday meets. Good luck next year girls!





WALTHAM
WALTHAM

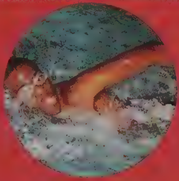
This year was a new experience for the whole swimming team. Being in a new league there was a lot more competition so everyone strived for their best times and pushed through the hard practices and meets. Having a small team, the seniors, Andy, John, Lien and newcomer Nareg helped the team prove they were worthy competitors. Although we did not have the best record we tried out best and are proud of the season we had.



Skiing

Boys League

9. Richard Scanlon
11. Jared Taber
43. Joe Cincotta

Finished 2nd out of 6 in the Mass Bay Ski League

Girls League

1. Danielle Scanlon

Danielle Scanlon was the firs
female in Waltham history t
win States! Congratulations
Danielle!

Finished 4th out of 6 in Mass Bay Ski League East

The ski team had a really good year considering they had to call up eighth graders to be on the team and were adjusting to a new coach. They didn't have the hardship of switching to the DCL like most teams because skiing doesn't follow the same leagues as other sports; but they had two boys finish in the top ten and a girl finish first in the league. They also sent two boys and a girl to states where the boys had a good effort and a girl was named the state champion.

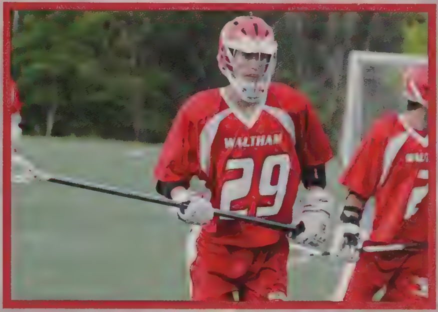
Lexington	9	12
Arlington	14	5
Andover	8	10
Chelmsford	7	9



As the first team to play in the DCL, we knew there was going to be a lot more competition. We had to work harder in practice and during the game. As a whole, the team pulled through and proved to our competitors that we were worthy contenders for them. Our record was not as good as we had hoped but we were able to stay in some games a lot longer than we had anticipated. Next year's team will be better prepared and will hopefully have a stronger season than we had this year.

Medford	11	8
Medfod	14	5
Westford Academy	7	9

Starting off this season we all knew we had a long road ahead of us. We had a very young team with eight sophomores. We played some of the best teams in the state but we competed with every one. We played with our hearts every game and practice one-hundred percent everyday. We improved as the season went on and showed the teams we improved the second time around. Even with our competitive games we never gave up and because of that we were successful.

Westford Academy	2	3
Newtown North	16	3

Coming into the season playing in the Dual County League was a tough challenge for the baseball team. We knew we had to play well every game in order to compete with the other teams. Our pre-season goal was to make the state tournament and we accomplished that goal. We were one of five teams in the entire high school to make the tournament. We worked really hard this off- season leading up to our 12-10 season. We attribute much of our team's success not only to the players, but to our hard-working coaching staff. Overall, we had a successful season and wish the best of luck to all the graduating seniors.

Softball

Concord Carlisle	0	15
Acton- Boxborough	2	8
Lincoln Sudbury	3	6
Boston Latin	2	15
Westford Academy	3	18
Needham	14	19

We had a really young team, and even though we had fewer wins than we expected, we had a lot of fun. Each player on the team made improvements from the beginning of the year to the end, so overall we were successful. Also, we had a lot of close games where things just didn't work out for us at the end of them. As a team, we had a lot of improvement compared to last year.

Boys Outdoor Track

Varsity

	Us	Them
Westford Academy	46	96
Concord Carlisle	53	87
Lincoln Sudbury	35	98
Acton- Boxborough	40	69

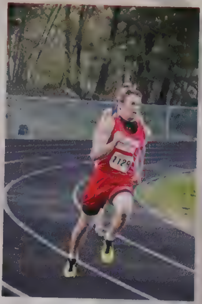
Arlington	101	54
Tyngsboro	90	45
Newton South	37	69



With a lack of seniors, our team held its own. The way the meets are run in the Dual County League, with three teams facing off at once, was much different than what we were used to. It took some time to adjust. Despite our losses, we never backed down. Even the toughest of competitors knew they were going to have to run their fastest or throw their hardest if they wanted a victory. One thing's for sure, the team had a lot of fun and competed in true Waltham fashion; we play for "W's".

Girls Outdoor Track

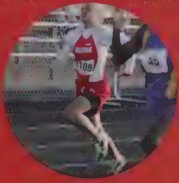
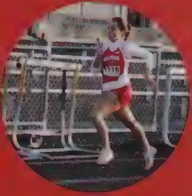
1111

WALTHAM
1111

WALTHAM
1112

Although our record does not show it, we had a very good season. The league challenged and pushed everyone of us to better our times and distances. We also had a very young team so the few upperclassmen had to be enthusiastic and determined leaders to the rest of the team. Once the regular season was over, six of us qualified to run at states where we were able to prove ourselves in the new league as well as across the state.





Boys Tennis

Varsity

	Us	Them
Acton- Boxborough	0	5
Bedford	0	5
Weston	0	5
Newton South	0	5
Lincoln Sudbury	0	5
Boston Latin	0	5
Westford Academy	0	5

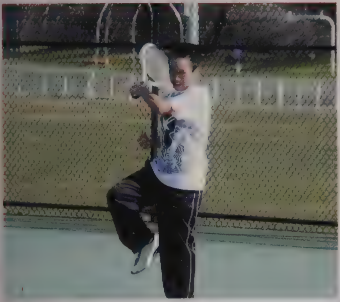
Arlington	0	5
Newton South	0	5
Acton- Boxborough	0	5
Lincoln Sudbury	0	5
Boston Latin	0	5
Westford Academy	0	5
Tyngsboro	0	5



Although we had very little success throughout the season, we always tried hard and we always had fun. Even when we were facing great teams, we all tried as best as we could. Some positive things to look at was how much better each person got by the end of the year. You could clearly tell that the team got much better since we had a lot of new people that had never played before you could tell we improvement. Next year, we will have a more complete team so hopefully we will be able to compete more with the rest of the teams.

Girls Tennis

Varsity

	Us	Them

Lincoln Sudbury	0	5
Boston Latin	0	5
Westford Academy	0	5
Tyngsboro	5	0

We had a really tough season after the move to the new league. We were playing much tougher competitors with much more tennis experience than us so we did not have the best record this season. However, despite our losing record I think we have the best team in the league. All of our returning players were so welcoming to our two newest players this year and they quickly became a part of the team. The tennis team has always had the best group of girls in the school and whether we win or lose we stick together as one strong group because of the close bonds we share with each other.
